## Hours of Operation

SATS is available Monday through Friday from 7:30 am to 10:00 pm and on Saturdays from 7:30 am to 6:00 pm following DART booking procedures.

SATS is not available during KSU breaks or during summer intersession.

All rides reserved with SATS are done on a Shared-Ride basis. There may be other pick-ups or drop-offs along the way to your destination.

## Ride Types

1) Subscription Service available for students who live on-campus and have been approved for an entire semester. These rides are set up at the beginning of the semester and remain the same through the end of the semester.

2) Demand Service or extra rides can be called into PARTA by the student and will be scheduled provided there is an opening at that time; however, we will do our best to accommodate your request.

## Driver Arrival

The driver will come to the entrance of the pick-up location to inform you they have arrived. They are able to wait up to 5 minutes before they will move on to assist other clients. SATS drivers are not permitted to enter residence halls or go past the lobby of an academic building, but will be happy to assist passengers to and from the doors of their destinations.

## Living Off-Campus

PARTA can provide you a SATS ride to and from your home located in the city of Kent or Franklin Township at no charge to you. Your ride to campus will be booked using Dial-A-Ride (DART) procedures (see below) and your return after 5:00 pm may be booked using the SATS procedures.

Should you live outside of this area, rides will need to be booked as a part of the county-wide DART service and will be subject to PARTA's Reduced Fare Rate.

## DART Service

Should you have a ride need that is outside of the SATS service area, this ride will need booked up to three days in advance by calling our Scheduling office at 330-678-1287.

Once scheduled, you will be given a 30 minute pick-up window. We will then transport you to your destination. Please specify an appointment time when booking your ride. It is important that you are ready during this pick-up window. Just like SATS, the driver can only wait 5 minutes before moving on.

## Cancelling Rides & No-Shows

We do our best to accommodate your needs and the needs of other students. Please be sure to cancel any rides you may not need for the day to allow space for students who may have a last minute ride need. Should we leave your destination without you, you will be assessed a no-show. An accumulation of no-shows may result in the loss of Subscription Service.
