IF YOU LIVE OFF CAMPUS...

Rides need to be booked as part of the countywide DART service and will be subject to PARTA's reduced fare rate.

DIAL-A-RIDE (DART) SERVICE

DART functions differently than the SATS provided on-campus.

If you need a ride outside of the SATS area, it must be booked no later than 4pm the day before by calling PARTA's scheduling office at 330-678-1287.

You will receive an automated call or text after 6pm the day before your scheduled ride. This contact will confirm your ride and pick-up time. The next day when your bus is on the way you'll receive a call or a text message to notify you of its arrival time. If you choose to receive a text message, you will be sent a link to see where your bus is in real time.

All rides reserved with SATS are offered on a shared-ride basis. "Shared-ride" means there may be other pick-ups and drop-offs along the way to your destination. Rides can be set up in two ways.

1

Subscription Service is available for students who have been approved for an entire semester. These rides are set up at the beginning of the semester and remain the same through the end of the semester.

2

Demand Service or extra rides can be called into PARTA by the student and will be scheduled provided there is an opening at that time; however, we will do our best to accommodate your request.

At the time of your pick-up, the driver will come to the entrance of the pick-up location to inform you they have arrived. SATS drivers are not permitted to enter residence halls or go past the lobby of an academic building but will be happy to assist passengers to and from the doors of destinations.

We do our best to accommodate your trips and the trips of other students. Please be sure to cancel any rides you do not require to allow space for students who may need an unexpected ride. If you fail to take a scheduled ride and do not cancel in advance, you will be assessed a no-show. An accumulation of no-shows may result in the loss of subscription service.
