All PARTA busses are accessible to wheelchairs.

Student Accessibility Transportation Services (SATS)

SATS is available Monday—Friday from 7:00am to 10:00pm
Saturdays (during the semester) from 7:30a.m. to 6:00pm
following DART booking procedures.

SATS is not available during the Summer Intersession.

All rides reserved with SATS are done on a Shared-Ride basis. “Shared-Ride” means there may be other pick-ups and drop-offs along the way to your destination. Rides can be set up in two ways:

Subscription Service is available for students who live on-campus and have been approved for an entire semester. These rides are set up at the beginning of the semester and remain the same through the end of the semester.

Demand Service or extra rides can be called into *PARTA* by the student and will be scheduled provided there is an opening at that time; however, we will do our best to accommodate your request.

At the time of your pick-up, the driver will come to the entrance of the pickup location to inform you they have arrived. They are able to wait up to five (5) minutes for you before they have to move on to assist other clients. SATS drivers are not permitted to enter residence halls or go past the lobby of an academic building, but will be happy to assist passengers to and from the doors of their destinations.

We do our best to accommodate your needs and the needs of other students. Please be sure to cancel any rides you may not need for the day to allow space for students who may have a last minute ride need. Should we leave your destination without you, you will be assessed a no-show. An accumulation of no-shows may result in the loss of subscription service.

If you live off-campus, *PARTA* can provide you a SATS ride to and from your home located in the city of Kent or Franklin Township at no charge to you. Your ride to campus will be booked using Dial-A-Ride (DART) procedures (see below) and your return after 5:00p.m. may be used using SATS procedures.

Should you live outside of this area, rides will need to be booked as part of the countywide DART service and will be subject to *PARTA*'s Reduced Fare Rate.

DART Service functions just a little differently than the SATS service provided on-campus. Should you have a ride need that is outside of the SATS service area, this ride will need booked up to three days in advance by calling our Scheduling office. Once scheduled, you will be given a thirty (30) minute pick-up window. We will then transport you to your destination. Please specify an appointment time when booking your ride. It is important that you are ready during this pick-up window. Just like SATS, the driver can only wait five (5) minutes before moving onto another passenger's pick-up or drop-off.

See the back panel for our contact information.
